Why not have a go at making your own?

You will need:

- An orange
- A small candle and holder
- A piece of foil (to catch candle wax)
- A piece of red ribbon
- Some sticky tape
- Four cocktail sticks
 - Sweets and/or raisins

1. Put your candle and foil into the top of your orange.

2. Wrap the ribbon around the orange and stick it in place using the sticky tape.

3. Put the sweets and fruit onto the cocktail sticks and stick them into the orange.

What does the orange mean?

Why is there a candle on top of the orange?

What does the red ribbon mean?

Why are there sweets and raisins stuck into the orange?
