

Christian Symbols

Christian symbols - what do they tell us about what Christians believe?

Task: to find out and be able to explain the belief behind Christian symbols.

1. Research Christian symbols - Request is a good place to start
2. Draw each of the Christian symbols onto a piece of paper. Use these pictures to make a poster. Write a sentence next to each one, explaining why Christians use the symbol.
3. When you get to the section on the bread and wine, read the Bible passage: 1 Corinthians chapter 11 verses 23 - 26.
4. Paint your own picture. See how many symbols you can include in it. Think about why you are choosing to use the colours you choose. When it is finished, write a paragraph explaining what is in the picture, and how you felt when you were painting it.
