The Lost Sheep and the Lost Coin

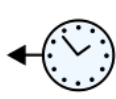

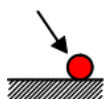

Jesus told these stories to show that God loves all

+

people and wants them to be his friend.

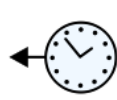

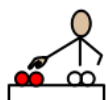

100

There was once a man who had 100 sheep.

1

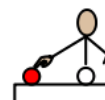

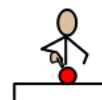

One day one of those sheep was lost. The man left

the other 99 sheep and went out to find the one that

 was lost. Once he found the lost sheep the man

 put it over his shoulders and carried it home. When

 he got home the man invited all his neighbours

 and friends to a party to celebrate.

 In the same way there was a lady who had 10

 coins but she lost one of her coins. So she lit a

 lamp and searched everywhere for it. At last she found

 the coin and invited her neighbours to a party to

 celebrate.

 Jesus said, 'This is the type of party that the angels

 in heaven have when a person becomes a friend of

 God.'
